INTERESTS

I enjoy gaming, usually playing games such as Tom Clancy's Rainbow Six Siege, Fallout and The Elder Scrolls.

I frequently go on expansive walks in the peak district with my family or friends which usually span over 10 miles.

I also enjoy films, watching them as well as the technical aspect such as cinematography and editing.

In the past I have created a small game with some friends who collaborated on different aspects such as 3-D modeling, level design and programming.
